### Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Trandes Corporation of Lanham, Maryland, is being awarded a \$9,556,490 cost-plus-fixed-fee, indefinite delivery/indefinite quantity-type contract for technical and engineering services for the design, development, test and evaluation, installation, life cycle and logistics support and maintenance of multi-use electronic systems and equipment. This contract contains four one-year options, which if exercised, will bring the total cumulative value of this contract to \$49,509,935. Work will be performed in San Diego (60%) and on various government installations worldwide (40%). The period of performance is from September 20, 2000 through September 19, 2005, inclusive of options, if exercised. Contract funds will not expire at the end of the current fiscal year. This procurement was a 100% total, small business set-aside competitive procurement published in the Commerce Business Daily. Three offers were received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-R-5034).
